Paas me aake hath lagate
Nikle sabka dam
Main main main hu atom bomb

Bijli mujhse dar ke bhage
Koi na thahre mere aage
Bijli mujhse dar ke bhage
Koi na thahre mere aage
Aag ka shola saukh ka gola
Sab hai mujhse kam
Main hu etab bomb
Main main main hu atom bomb

Mere jitne chahne wale
Tan ke gore man ke kale
Mere jitne chahne wale
Tan ke gore man ke kale
Chor lutere kaun ye mere
Kisko kiska dam
Main hu etab bomb
Main main main hu atom bomb

Ek qayamat mera dhamaka
Mujhme dekho jor bala ka
Ek qayamat mera dhamaka
Mujhme dekho jor bala ka
Dur hi rahna phir na kahna
Samjhe the kya hum
Main hu etab bomb
Main main main hu atom bomb.
