Khili khil main khuli khuli  
Main khili khil main khuli khuli  
Main khili khili phoolwari

Kya chand hath pe aaya  
Chand hath pe aaya  
Lo tere sanam aaya  
Lahraya lahraya  
Kaun lega chandar kalanki  
Kaun lega chandar kalanki  
Wo hasta badhta jaye  
Main soch soch sharmati  
Main khili khili phoolwari

Main samjh gayi  
Mai samjh gayi  
Kya samjh gayi  
Main samjh gayi  
Mai samjh gayi  
Tu nahi samjhhti  
Bate mere man ki  
Hai kya karan jo bani bawri  
Tu bani bawri apne  
Jis priyatam ki  
Tu bani bawri apne  
Jis priyatam ki  
Sansar badai karta hai  
Us raja duryodhan ki  
Savdhan mat lena ye naam  
Saf saf batlado unka naam  
Unka naam unka naam

Prano se mere pritam  
Ka pyaara naam  
Prano se mere pritam  
Ka pyaara naam  
Kaho kaho le sun  
Par sunke bhul  
Hi jana sakhi ri  
Sunke bhul hi jana sakhi ri  
Ye bhed kahi na sunana  
Ye bhed kahi na sunana

Mera pritam hai  
Mat bhedne wala  
Kyari kyari hai jiski  
Motiyo ki maala  
Jiske aage suraypati  
Ka sankh lazaya  
Wo bag mein jisne  
Pyaara sakha banaya  
Mohan re sajan  
Wo hai mere sajan  
Naam hai jiska arjun  
Veer dhanurdhari  
Ho gayi un par balihari  
Mai khili khili phoolwari.
