Dil kya hai jaan bhi le lo
Main kab inkar karti hun

Main tumse pyar karti hun
Main ye ikarar karti hun
Main tumse pyar karti hun
Main ye ikarar karti hun
Dil kya hai jaan bhi le lo
Main kab inkar karti hun
Main tumse pyar karti hun
Main ye ikarar karti hun

Tu mera deewana hai
Aaj ye maine jana hai
Tu mera deewana hai
Aaj ye maine jana hai
Kuch bhi ho kase bhi ho
Rutha yaar manana hai
Rutha yaar manana hai
Wade hajar karti hu
Main tumse pyar karti hun
Main ye ikarar karti hun
Main tumse pyar karti hun
Main ye ikarar karti hun

Tere saath bahare hai
Mere pas pukare hai
Tere saath bahare hai
Mere pas pukare hai
Tere mere bich kai
Duri ki diware hai
Diware par karti hu

Main tumse pyar karta hun
Main ye ikarar karta hun
Dil kya hai jaan bhi le lo
Main kab inkar karta hun
Mai tumse pyar karta hun
Main tumse pyar karti hun

Ye dil hai kurban mera
Teri inhi adao pe
Mai manu ya na manu
Lekin teri wafao pe
Mai etabar karta hu

Main tumse pyar karta hun
Main tumse pyar karti hun
Mai ye ikarar karta hun
Main ye ikarar karti hun
Dil kya hai jaan bhi le lo
Dil kya hai jaan bhi le lo
Mai kab inkar karta hu
Main kab inkar karti hun
Main tumse pyar karta hun
Main tumse pyar karti hun
Main tumse pyar karta hun
Main tumse pyar karti hun.
