

Makhan Malai Lyrics

English

Kuk kuk kuk kuk kuk kuk kuk
Kuk kuk kuk kuk kuk kuk kuk

Roopmati kamlamati
Bhanumati aa
Hat pare ho ja dafa
Naapeete ja ja ja
Hurr hurr hurr

Makkhan malai to woh
Akbar ke bheja kon
Jhaanjhar te sone ke bol
Phir bhi tu window khol
Aankh ladi phool jhadi
Bhaaye teri kitni badi
Haaye adaayein anmol

Re kukkadi kukkad koo
Kukkad koo bol
Re kukkadi kukkad koo
Kukkad koo bol
Re kukkadi
Kukkad koo kukkad koo
Kukkad koo bol

Itna bajawaangi dhol
Kholaangi teri pol
Neeyat pe kar control
Badlaangi naksha bhugol
Aaya bada gale pada
Pet tera chet khada
Do teen dono tak dol

Na khamkha kukkad koo
Kukkad koo bol
Na khamkha

Kukkad koo kukkad koo bol
Na khamkha
Kukkad koo kukkad koo
Kukkad koo bol

Vimla rani champa
Kali meghnawati
Aa. Aa. Aa
Chhateeson kudiyaan
Mujh pe mare hain
Ghaas na daloon
Main aaye haaye
Chadh ke chaubaare
Lyricsbogie.com
Lainein bhi maare

Kukkad koo kukkad
Koo kukkad koo
Kukkad koo kukkad
Koo kukkad koo

Thaane le jaava
Ya paagal khaane
Tharka sab iska sabhi
Solid doongi pichhwaade
Kukkad koo kukkad
Koo kukkad koo

Chhadd de pichcha ve
Kisda tu luchcha ve
Line de da kachcha ve
Cheep tu tuchh ve
Rasbhari main hoon pari
Gaali doongi taazi khari
Upar se talle tu chhod

Na khamkha
Kukkad koo kukkad
Koo bol na khamkha
Kukkad koo kukkad
Koo bol na khamkha

Kukkad koo kukkad
Koo kukkad koo bol
Hoyehoye

Jeting da king main
Sohna haan singh main
Seva karaanga teri
U.k. Le jaava tenu ghumaanva

Kukkad koo kukkad
Koo kukkad koo
Kukkad koo kukkad
Koo kukkad koo

Beauty di rani
Main hoon maharani
Pichche te nakchadh munde
Romiyo saare dil
Hai ghasiyaare

Kukkad koo kukkad
Koo kukkad koo
Maan bhi ja soniye
Makkhan di haaye ghodiye
Tere je hi na honiye
Tuiyon meri mann moniye
Barkha jhadi rahasyagari
Jaadu ki tu haaye pudi
Aaja ni bai jaa o

Re kukkadi
Kukkad koo kukkad
Koo bol re kukkadi
Kukkad koo kukkad
Koo bol re kukkadi
Kukkad koo kukkad
Koo kukkad koo bol

Na khamkha
Kukkad koo kukkad
Koo bol na khamkha

Kukkad koo kukkad
Koo bol na khamkha
Kukkad koo kukkad
Koo kukkad koo bol.
