Lyricsbogie.com

Pakad lun hath aapa kho chuke,
Ring tere heel ko kar rahe follow,
Solo aur na hum na na samunder,
Ankhein doob ke marna,

Mera surname tere naam hai karna,
Baaton se kardi shuruwat,
Ab harqaton pe ja ke hai rukna,

Tala te jaan lene laga hai (laga hai),
Nakhra bhi sar pe chada hai (chada hai),
Sharmakar tum dekho taraf meri aisi hi,
Baaton se chadta nasha hai,

You're feeling so blush mujhe dekh kar,
Gaadi mein baith tu yun nakhre na kar,
Ijzat de mujhko main kardun bayan,
My heart is telling i'm gonna take you,

Tere lak te fida,
Saari duniya bayi haan,
Saari duniya nu chad ke,
Tu mere kol aa,

Tere lak te fida,
Saari duniya bayi haan,
Saari duniya nu chad ke,
Tu mere kol aa,

Tu kalli ni,
Jihnu chadi jawani,
Agg la dawan teri manmani nu,
Munde pagal karte,
Girl tell me what you really wanna do?

Banja meri hoja ready,
Chak le samaan tu laike jawan kelly,
Ik vaari je haan karde te,
Tere bacheyan da main banja daddy,

Makhmal,

Tera patla badan,
Jiven hulchul,
Mere dil vich haye ni,
Baby makhmal,
Tera patla badan,
Jiven hulchul hulchul hulchul,

Ho lakk bhari tera mari jaave dil vich satt,
Taniyo 24 ghnate biba tere piche rehnda jatt,
Ho lakk bhari tera mari jaave dil vich satt,
Taniyo 24 ghnate biba tere piche rehnda jatt.
