

Making Love (Title) Lyrics

English

We're here together,
My love will be like forever,
With you lady,
And never fade away.

C'mon and get little don't shy,
I wanna make this a better night,
Baby tonight,
I make you feel like this,

Girl you feeling me,
Girl you feeling me, inside.

Tu hai ki nahi,
I'll be feeling you,
You feeling me your all over
Tu hai ki nahi,
We will never turn apart,
Tu hai ki nahi,
Making love.

Daudte hain khaab jinpe,
Raasta wo tu lage,
Neend pe jo khaab ka hai,
Waasta wo tu lage.

Pehli vari tenu takeya te,
Hoya mainu pyar,
Hoja meri ik vaar,
Girl i love you from my heart.

Tere baare ni main sochan ajkal sari raat,
Ni tu dil da karaar,
Look how beautiful you are.

Teri meri ye kahani, all and over.

Tu hai ki nahi,
I 'be feeling you,
You feeling me, wel all over,
Tu hai ki nahi,
We will never turn apart,
Tu hai ki nahi,
Making love,making love.

Mujhse hi aaj mujhko milade,
Dekhun aadaton mein,
Tu hai ki nahi,
Har saans se pooch ke bata de,
Inke faaslon mein,
Tu hai ki nahi,

Main aas paas tere,
Aur mere paas,

Tu hai ki nahi,
I 'be feeling you,
You feeling me, wel all over,
Tu hai ki nahi,
We will never turn apart,
Tu hai ki nahi,
Making love,making love

Tu hai ki nahi,
I 'be feeling you,
You feeling me, wel all over,
