

# Manachali O Manachali Lyrics

## English

Manachali o manachali  
Ho manachali ho  
Ari aa meri chulabuli  
Ari o meri manachali

Ai manachali ho manachali  
Kaun si hai ye gali  
Ai manachali ho manachali  
Kaun si hai ye gali  
Ye vo gali hai yahaan  
Ik baar jo aaya  
Laut na paaya  
Tu yahaan se bach ke  
Nikal jae to qismat hai teri  
Ai manachali ho manachali  
Kaun si hai ye gali  
Lyricsbogie.com  
Ai manachali ho manachali  
Kaun si hai ye gali  
Ye vo gali hai yahaan  
Ik baar jo aaya  
Laut na paaya  
Tu yahaan se bach ke  
Nikal jae to qismat hai teri  
Aa ha manachali ho manachali  
Kaun si hai ye gali

Raaz ye raaz bataane  
Kaa nahi hai  
Aane kaa raastaa  
Jaane kaa nahi hai  
Raaz ye raaz bataane  
Kaa nahi hai  
Aane kaa raastaa  
Jaane kaa nahi hai

Are aisaa lage hai  
Koi bhul-bhulaiyaan  
Thaam le baiyaa  
Mai jo kahi kho  
Gaya tu bhi kho jaaegi  
Aa ha manachali ho manachali  
Aa ha kaun si hai ye gali aa haa  
Aa ha manachali ho manachali  
Aa ha kaun si hai ye gali aa haa

Are aa gaya to aa gaya  
Ab jaaun kahaan mai  
Sar pe qafan baandh ke  
Aaya hun yahaan mai  
Aa gaya to aa gaya  
Ab jaaun kahaan mai  
Sar pe qafan baandh ke  
Aaya hun yahaan mai  
Chhode de ye zid hai  
Buri sun mere raajaa  
Hosh me aa jaa  
Ki aa gaya  
Dil to gaya jaan bachaa  
Le aage hai teri marzi  
Aa ha manachali ho manachali  
Aa ha kaun si hai ye gali aa haa  
Aa ha manachali ho manachali  
Aa ha kaun si hai ye gali aa haa

Ab kisi ki yaad  
Agar aaye to aaye  
Ab yahaan se meri  
Khabar jaae to jaae  
Ab kisi ki yaad  
Agar aaye to aaye  
Ab yahaan se meri  
Khabar jaae to jaae  
Phir bhi nikal jaaungaa  
Mai pankh lagaa ke  
Mast havaa ke

Dekhanaa tu dekhati  
Rah jaaegi duniyaa saari  
Ha ha manachali ho manachali  
Aa ha kaun si hai ye gali  
Manachali ho manachali  
Kaun si hai ye gali  
Ye vo gali hai yahaan  
Ik baar jo aaya  
Laut na paaya  
Tu yahaan se bach ke  
Nikal jaae to qismat hai teri  
Manachali main  
Manachali kaun si hai ye gali  
Hoo manachali main  
Manachali kaun si hai ye gali.
