

Mantra (Title) Lyrics

English

Kya hua
Kuch bhi nahin
Kya hoga
Kuch bhi to nahin
Kya ho sakta hai
Pyaar hona kya hai

Kuch na kuch hota hi rehta hai
Par yaad rakh tu jo chahta hai

Woh nahi hona
Khud ho nahi sakta
Karna padta hain

Kya hai takdeer
Ek janzeer
Kya hai takdeer
Ek janzeer

Kismat kya hai
Ek dhoka hai
Kismat kya hai
Ek dhoka hai

Phir insaan kare kyaa....

Takdeer ke hathon mein
Zanjeerein pheilado
Kismat ke taron ko
Aaina dikhlado

Hathon ki lakeeri
Aur jadoo tona
Sab hai dhoka
Sab hai khwabo ki dhool
Khwabo ki dhool

Tu apne raste na hat
Chal khwab ka pichha chhod
Palat..palat palat

Dhin tana ta..
Dhin tana naa..

Phir jo chahe kar jayenga
Warna ghootke mar jayenga
Kismat me woh sab kuch hai
Jo sona hire chandi de

Tu durr na jaa
Tu durr na jaa
Mood vaapis aa
Mood vaapis aa

Mayus na ho
Chal chal aage
Tu jaage to
Duniya jaage

Pyaare agar kuch pana hai tujhe to
Kashtiyaan bhi jala de
Kashtiyaan bhi jala de
Kashtiyaan bhi jala deeeee...

Phir tu jo chahega ho jayenga
Gham ka suraj thak kar so jayenga

Yeh magar kuch bhi
Khud ho nahin sakta
Yeh magar kuch bhi
Khud ho nahin sakta
Karna padta hai

Jine ke liye
Marna padta hai
Haq ke khatir to
Ladna padta hai

Jeene ke liye
Marna padta hai
Haq ke khatir to
Ladna padta hai
Ladna padta hai
