Terrain for a goon  
With a very feared name  
Years went by but  
There was on drama  
So america gave  
The job to obama

There was risk but i had  
To get up in his mix that's  
When i dispatched seal team six  
Shwed up in choppers  
Entered right up in his house  
Then we took him on a date  
Yep, we took him out  
Now i'm standing here telling  
The truth to y'all that  
Osama bin laden is dead  
Once and for all

And now i'm the man  
I hate to say i tod you  
So but i told you long age that  
Yes we can now say it with me  
Yes we can yes we can  
Yes we can mara gaya hai

Got a bullet in the head?  
Who's that man who  
Got a bullet in the head?

Got a bullet in the head?  
Who's that man who  
Mara gaya hai

All right you got him an you  
Blew him right out of the roof  
But tell me mr. President  
Where is the proof  
Let me be clear
