Har chaoraha har gali  
Dushmano mein khalbali  
Bhai ki baatein sharbati  
Master kaun hai? Dalpati

Gyan ki mati, cheete ki gati, dalpati  
Uski yeh ada jo dil ko loote

They call me master  
Result mera faster  
Apni dagar apna safar  
Chahe koi ho jidhar  
Sab pe meri nazar

Haddi ispaat hai  
Faulaad mera haath hai  
Ghalati se ghalat kiya toh  
Phir master raid hoga

Jitna kaha hai tujhe utna hi suna  
Warna padegi chadi sunn mere munna  
Aisi woh zidd nahi jiss mein koi hit nahi  
Warning samajh isse meri samajh gaye

Kaan ke neech padega  
Khoon naak se bhega  
Niklega munh se haye meri amma  
Sun master ke rahega sada sukhi  
Warna tera thobda dikhega charmukhi

Baitha reh baitha reh  
Dekh zara kon aa raha  
Kon aa raha dalpati vijay
