

Mera Pehla Pehla Pyaar (Title Track) Lyrics

English

Move your body baby
Move like this move like that
You groove your body
Baby slipping far to mp3
Yo yo yo yo
Ok here we go

Na jaane kab yeh huwa
Na kisi ko khabar
Na khud ko pata
Khoye khoye rehte
Hum yahan hain
Silsilo ka silsila hai
Huwa shuru abb
Jo nikle bhi jaan
Abb se hai hum
Raahi chaahnton ke

Yeh jaise phela nasha
Woh pheli nazar phela guma
Yuun lage mohabbat hi
Jahaan hai doston ki dosti
Yaaron ki yaari kam lagne lagi
Behke hai hum behka yeh sama hai

Kaise samjhaau tumhe
Mera phela phela pyaar hai yeh o o o
Aankhon mein aitbaar hai yeh o o o
Mera phela phela pyaar hai yeh o o o
Aankhon mein aitbaar hai yeh o o o

Mere phela phela pyaar
Its phase begin all
You people in love need to
See and find your movie mp3

I dont know when or
How i gonna need to know
I guess love just happens some how
Like the smile on the face of my soul
Its like neva lived
And neva lived the love
That what you feel your baby

Hawa bhi mili thi humein
Jhokon mein pooch rahi thi
Pyaar yeh agar nahi
Toh phir kya hai
Aye aasman tu bhi
Aajkal sang chalta hai
Saaath leke chanda taare
Kaise samjhaau tumhe
Mera phela phela pyaar hai yeh o o o
Aankhon mein aitbaar hai yeh o o o
Mera phela phela pyaar hai yeh o o o
Aankhon mein aitbaar hai yeh o o o.
