Mere dildaar ka baankpan  
Haay baankpan hoy baankpan alaaah alaaah

Dekh kar jisako hurein bhi sajada kare  
Sajada kare ha sajada kare haay haay sajada kare  
O meri naajani o meri naajani gulbadan alaaah alaaah  
Usi haseen mehjabin ki avan alaaah alaaah  
Phul se hont resham sa tan alaaah alaaah  
Mere dildaar ka baankpan alaaah alaaah

Woh kankhiyo se unka hume dekhna ha  
Hume dekhna hay hume dekhana hay  
Jabse use dekha hai deewaano si haalat hai  
Betaab hai har dhadkan bechain tabiyat hai  
Woh sar se kadam tak ik mehaki huyi jannat hai  
Chhune se badan masake iss darja najaakat hai  
Ukhsaar karishma hai raftaar kayaamat hai  
Duniya mein wajud usaka kudrat ki inaayat hai  
Woh jisape karam kar de woh saahida kismat hai  
Woh kankhiyo se unka hame dekhana ha  
Hame dekhana haay hame dekhana  
Tir tirachhe, tir tirachhe chalaane ka fan alaaah alaaah  
Tir tirachhe chalaane ka fan alaaah alaaah  
Mere dildaar ka baankpan alaaah alaaah

Saadagi mein chhupa shokhiyon ka sama ,  
Shokhiyon ka sama shokhiyon ka sama  
Jis husn ke jalawo par dil hamane lutaaya hai  
Woh husn jamino par takdir se aaya hai  
Kudrat ne badan usaka fursta se banaaya hai  
Saurkar hatrango se har ang sajaaya hai  
Ghanghor ghhataao ko julfon mein basaaya hai  
Bijali ke tabassum ko najaron mein bulaaya hai

Mehake huye phulon ko saanson mein rachaaya hai  
Saadagi mein chhupa shokhiyon ka sama,  
Shokhiyon ka sama shokhiyon ka sama

Aj dil jhum utha aj dil jhum utha

Noor se bhar gaye,noor se bhar gaye,
