

Mere Naal Nachna Lyrics

English

Teri sohni lagdi tour
Mainu hai teri lohr
Ajj meri jaan tu ho
Billo na kar ignore

Teri sohni lagdi tour
Mainu hai teri lohr
Ajj meri jaan tu ho
Billo na kar ignore

I can tell you feeling freaky
And you know i like it
You can come-on for the weekend
'cuz you know we vibe it no
And i ain't nobody business
We can keep it private
But your phone on silent
Oh oo yeah

We kissed in the night
Can be boy a like it
When you crush the light
And i muddle your spell
'cuz it got me hypnotised
Girl i need your body
Baby let's get naughty

Teri sohni lagdi tour
Mainu hai teri lohr
Ajj meri jaan tu ho
Billo na kar ignore

Teri sohni lagdi tour
Mainu hai teri lohr
Ajj meri jaan tu ho
Billo na kar ignore

Aaja kudi mere naal nachna
Naal nachna naal nachna
Main taan tere naal hassna
Naal hassna naal hassna

Kudi mere naal nachna
Naal nachna naal nachna
Main taan tere naal hassna
Naal hassna naal hassna

Superman in blue pineapple
Can be i am in danger
Girl i body like a model
Gaddi saddi behja
The way you moving hauli, hauli
Kudiyen going home with me
Take you wave like a ferrari
Aaja let me ride it

Whisper in the ill
It's boy i like it
