Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham  
Ho koi aaye hath bhadaye  
Darta hai kyu ye to hai  
Ishq mohabbat ka paigam  
Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham

Pahla dilbar dekha  
Maine is duniya me  
Naam hai kya jani bolo to zara  
Pahla dilbar dekha  
Maine is duniya me  
Naam hai kya jani bolo to zara  
Jagu jagu  
Aa surat se to lagte ho  
Koi shehjade se  
Kam hai kya jani bolo to zara  
Kam hai kya jani bolo to zara

Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham  
Ho koi aaye hath bhadaye  
Darta hai kyu ye to hai  
Ishq mohabbat ka paigam  
Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham

Tune ek tamasha  
Dekha is mehfil me

Silsila to abhi dekha hi nahi  
Tune ek tamasha  
Dekha is mehfil me  
Silsila to abhi dekha hi nahi  
Wo bhi dekhenge  
Dekhi hai tune  
Meri masum adaye  
Jaljala to abhi dekha hi nahi  
Jaljala to abhi dekha hi nahi

Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham  
Ho koi aaye hath bhadaye  
Darta hai kyu ye to hai  
Ishq mohabbat ka paigam  
Mere naam ka chala hai ye zam  
Jisme dam hai wo le isko tham.
