

Meri Baari (Title) Lyrics

English

Intro

Toh ye main jo bhi sunane jaa raha hoon
Ye 2014 mein likha tha
Jab 4 Men Down release hua tha
Tab bahut saari frustration thi bahut anxiety thi
But sun'ne wale log nahi the
Ab sun'ne wale log hai
Aur ye cheez basically unke liye hai
Jinko lagta hai ki unka time nahi aa raha
Woh mehnat kari jaa rahe hai
Time aayega time kahan jayega
Inshallah aayega mera aaya toh
Apka bhi aayega, suniye

Matha kharaab kabhi kabhi hota hai
Dil saala chhota kabhi kabhi rota hai
Aankhein hain bhari ummeedon se aaj bhi
Par taangein saali badi badi, bed saala chhota hai

Neendein gayab pata nahi kab se
Struggle kab tak poochhun main Rab se
Laakhon ki bheed ko main
Cheer gaya hoon chopper se stage pe

Yeh sapne dekh raha tab se
Bheje ko apne main chill rakhta hoon
Main adh-mara nahi poora kill karta hoon
Log bhale hi bolein bete Facebook pe aake
Main toh kaam se phaadne ka skill rakhta hoon

Apne music ka public ko overload dunga
Gaane vaane kar main explode dunga
Sadne walon ki kabrein main khud khod dunga
Bete meri baari aan de main

Bete meri baari aan de main

Bete meri baari aan de...

Par pata nahi saala sab
Slow slow kyon ho raha hai
Meri baari upar wala kyon so raha hai
Niraash nahi theek hai
Time pe milega sab kuch
Warna ek ek jalne wala
Dikhta mujhe ke ro raha hai

So raha hai, woh so raha hai
Wikipedia mera abhi tak kora hai
Ek chance, ek stage, ek bada hit de
Energy ka jwalamukhi phatne ko ho raha hai

Bilkul aise sadne walon ko rulaunga
Baadalon ki tarah main chhaa jaunga
Kismat toh chamkegi, duniya gaayegi
Mere gaane aur bete main taali bajaunga

Music ka public ko overload dunga
Gaane vaane kar main explode dunga
Sadne walon ki kabrein main khud khod dunga
Bete meri baari aan de main
Yeah! yeah! yeah!

Meri baari aan de main
Yeah! aah!

Overnight nahi hustle wale hum star hain
Music ke bina hum bekaar hain
Lyricsbogie.com
Na koi baatcheet badi badi company'on se
Na mere dost bade bade kalakaar hain

Apni mehnat pe aaj bhi hoon proud main
Zubaan se shaant, kaam se hoon loud main
Kal bada artist jebein bhari hongy paison se
Toh kya hua agar aaj hoon crowd mein

Ek ek ki chaatun waisa mera roop nahi

Motivate karne wala koi troop nahi hai
Mere kaanon mein hai Rafi sahab
Koi Snoop nahi hai
Akela hi main machaunga
Mera koi group nahi

Bhaiyon ke haathon mein tattoo dikhaunga
Ladkiyon mein matlab tabaahi machaunga
Mera naam cheekheingi main aur chikhwaunga
Bob the Builder nahi phir bhi karke dikhaunga

Music ka public ko overload dunga
Gaane vaane kar main explode dunga
Sadne walon ki kabrein main khud khod dunga
Bete meri baari aan de main
Yeah! yeah! yeah!

Yeah! yeah! yeah! aah!
Meri baari toh aa gayi
But I wish everybody who is struggling hard
Who is hassling hard
Apni family ke liye, apne liye unki baari jaldi aaye

Don't stop chasing your dreams!.
