

# Middle Finger Lyrics

---

## English

Bell bottom mein fasa rate variyan ke maran  
Na age pache media re photo'an ne taran ne  
Back bite karekhade hoke back mein  
Back bencher sa sare bete samajh tu karan

Tere mantri re link mein  
Re suna se tu power mein  
Bhawra main koni fass junga jo flower mein  
Pool mein tu nahaya neeli shyahi ger ke  
Aaja tanney main nhuvadu bete  
Tubewell aale shower pe

Kari se mehnat bete  
Pani maar aaya na main  
Middle finger rakhi up karke  
Up karke, up karke  
Middle finger rakhi up karke  
Up karke, up karke

Middle finger rakhi up karke

Middle finger rakhi up karke..  
Middle finger rakhi up karke..

Su main uska bhagat odhe shera ki jo khaal  
Neeli chatri re aale teri mehar waa kamaal  
11 watt ka current ka deyu kali shyahi te  
Re is duniya pe chana tera yaar har haal

Vahi shuru aale ib lag yaar sare gel se  
Hisar to re delhi ya kisana aali mel se  
Inhe gael baith ke ne mehfil sajai  
Tere vargya ke pendinga mein pade mail se

Dalle baaz phirey se scheme laan ne  
Par likade se khasa aala hup karke

Hup karke, hup karke  
Middle finger rakhi up karke  
Up karke, up karke  
Middle finger rakhi up karke

Ek maut ka saudagar bhi gel rahve se  
Ju bich mein garari ke re tel rahve se  
Jitt bhi re gaye udde chaap chhod di  
Jibe apna hi head aur tail rahve se

Uski ae maa ne fikar hoya kare se re  
Jiske re laal mein jigar hoya kare se  
Mauj li re roj li re na mili to khoj li

Ac mein na baith khayi hawa yaar ne  
Karya sae re raji raam tapp karke  
Tapp karke, tapp karke  
Middle finger rakhi up karke  
Up karke, up karke  
Middle finger rakhi up karke

Uss dada ka na chela re  
Main chela su halaat ka  
Re lakhan mein re rate uthe  
Meri kahi baat ka

One man army main kalla aaya tha  
Chalaya sabte alag  
Hissa bana naa main khap ka

Maa baap ke sivaye koyi lifeline na  
Aur dekh ke gulabi note karu sign na  
Log baith mahri gail feel kare secure  
Jonsi yaara ne ghumade issi bani wine na

Dekhe sapne je taney zor tu hi lavega  
Yade bana naa re koye naam japp karke  
Japp karke, japp karke  
Middle finger rakhi up karke  
Up karke, up karke  
Middle finger rakhi up karke

Middle finger rakhi up karke..

Middle finger rakhi up karke..
