Hun sohniya na dubbian
Chanava vich kadde
Kade ungli te nachaun vaaliyan
Sache aashiq ne mare chir de
Sache aashiq ne mare chir de
Ajj kal ne uggde mirze,
Heeran v tikhayi phirde
Ajj kal ne uggde mirze,
Heeran v tikhayi phirde

Jhara boohe khari
Hundi kardi ae wait
Heer mirze yaar naal
Gayi hundi date
Hunda bapu
Da ae hath sir te
Ajj kal de kall
Uggde ne mirze
Heera vi pisshey lai phirde

Oh yaaron laila vi
Mirze te mardi try
Evein majnu v vichaara
Javvein royi rulayi
Khare majnu de yaar phirde
Khare majnu de yaar phirde
Ajj kal de kall uggde ne mirze
Heera vi pisshey lai phirde

Ho ranjhe bina gallon
Phire kan padhvayi

Javvein heer de mobile
Vich paise phuvayi
Nalle akhiyan cho hanju kirde
Nalle akhiyan cho hanju kirde
Ajj kal de kall uggde ne mirze
Heera vi pisshey lai phirde.
