

Mission Mission (Title Track) Lyrics

English

Its possible, bol its possible
Its possible, bol its possible
Its possible, bol its possible
Its possible, bol its possible
Mission mission mission istaanbul
Mission mission mission

Yeh mission nahi aasaan, yeh mission istaanbul
Jaayegi isame toh jaan, yeh mission istaanbul
Hai toh yeh darya aag ka, paar karenge isako lekin
This is impossible, we make it possible however it may be
Chaaho jo rokana, yeh sochana bhi hai namumkin
And that we cant do all we're gonna blow
Some balls and turn in on them

Now its getin deeper wid all these secrets tat i keep on my mind, wat da fuck
Kar le tujhse jo ho sake, aaj nahi bach paayega tu
U say there's no way out without a doubt we're gonna bang our way thr'
Go go we'll surely go we're gona blow ur heads & then right we'll kick ya
Aa ja kar saamana jara dekhale hai dum kisame kitana
