## English

Ikk mil gayi hope sohneya  
Main hunn survive kar lau  
Dukh sukh tere haaniya  
Mil ke main naar jar lau

Si meri depress life ve  
Chirr phool tu banati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Ve hun naiyo main mardi  
Tu nabz chalati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Teri ve attachment ne  
Kinna kujh change karta  
Brain vicho mere sohneya  
Stress nu erase karta

Mood happy rehan lageya  
Kudi hassan to laati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Ve hun naiyo main mardi  
Tu nabz chalati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Tera paake ve pyar sandhua  
Hun ghaint ghaint feel kardi

Main apne relation nu  
Kisse agge na revil kardi

Tu rupindera ve mainu milke  
Jaan mari vich paati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Ve hun naiyo main mardi  
Tu nabz chalati sajna  
Sachi dassa tere pyar ne  
Meri umar wadhatai sajna

Hath fadeya hun nibhaunde rahange  
Roohan miliya tan milaunde rahange  
Mohabbat amar rehni aa  
Roohan kade marniyan ni

Phir kon kehnda marna sach ae  
Ae sanu pata assi jeonde rahange  
Assi jeonde rahange.
