

Moon Lyrics

English

Je tu ambran da moon goriye
Tattan sadda khoon goriye
Jatt kabbe aa challenge na kar
Saddi hoyegi soon goriye

Es de vich koyi mahda fark nai
Sidhi pind nu jaandi sadak ni
Mera birth ae May de vich nu
Tera birth ae June goriye

Je tu ambran da moon goriye
Tattan sadda khoon goriye
Jatt kabbe aa challenge na kar
Saddi hoyegi soon goriye

Je teri gutt de charche
Chandigarh vich ni
Saddi muchh de raule
Balliye pindan ch

Heavy haddan te asar karo na karda na
Jatt taan balliye marde hunde hunda ch

Gall kise nu show ni karda
Munda love tainu oh ni karda
Jehda ajj-kal jaanta kardi
Minneyan wala junoon goriye

Je tu ambran da moon goriye
Tattan sadda khoon goriye
Jatt kabbe aa challenge na kar
Saddi hoyegi soon goriye

Kabir te veer jo bahutiyen
Yenkana mardiyen ne
Par tere te aa gaya ae dil mera ni

Ik vaari mere hathan de vich hath dede
Umran de layi hath na chaddu tera ni

Race de utte full lavaun

Sandhu gharan vich viah ke leyaun
Soocha tu vi lehanga paa li
Pagg bannu mehroon goriye

Tu ambran da moon goriye
Tattan sadda khoon goriye
Jatt kabbe aa challenge na kar
Saddi hoyegi soon goriye.
