Mujhko bhule hue yaad aane lage
Neend aankhon se mausam churane lage
Mujhko bhule hue yaad aane lage

Meri ghazalo mein woh mere geeto mein woh
Meri ghazalo mein woh mere geeto mein woh
Inse milane mein lekin zamane lage
Mujhko bhule hue yaad aane lage
Mujhko bhule hue yaad aane lage
Neend aankhon se mausam churane lage
Mujhko bhule hue yaad aane lage

Ek se do huye to huye iss tarah
Ek se do huye to huye iss tarah
Khud ko khone lage unko paane lage
Mujhko bhule hue yaad aane lage
Mujhko bhule hue yaad aane lage
Neend aankhon se mausam churane lage
Mujhko bhule hue yaad aane lage

Jab bhi raate andheri huyi raah mein
Jab bhi raate andheri huyi raah mein
Roshani banke woh jagmagane lage
Mujhko bhule hue yaad aane lage
Mujhko bhule hue yaad aane lage
Neend aankhon se mausam churane lage
Mujhko bhule hue yaad aane lage
Yaad aane lage, yaad aane lage.
