Bhola bhala chehra hai dil beiman hai

Aise mehfil se uth ke na jao  
Aise mehfil se uth ke na jao  
Pas baitho jara muskurao  
Aaj khushiyo ki mehfil saji hai  
Kal hua jo use bhul jao  
Are bhai kal ki kya bat hai  
Husn ki bat hai ye  
Ishq ka raz hai ye  
Julf thi mehki mehki  
Har najar behki behki

Bahut bezar tha dil  
Shola tha aag tha dil  
Koi agosh me tha magar betab tha dil  
Fiza khamoshiyo ki dawa behoshiyo ki  
Kiye jati thi pagal laga tha dil se qatil  
Laga tha dil se qatil

Chehre se parda hatake rahunga  
Chehre se parda hatake rahunga  
Hua katal kaise bata ke rahunga  
Bata ke rahunga  
Jan lene wale ki muskil me jan hai  
Bhola bhala chehra hai dil beiman hai

Bhola bhala chehra hai dil beiman hai

Aise ilzam yu na lagao  
Aise ilzam yu na lagao  
Bhed khul jayega baz aao  
Aaj khushyio ki mehfil saji hai  
Kal hua jo use bhul jao  
Wo ghadi yad karo chup ke milte the kabhi  
Aankh ka milna tauba na kabhi aankh lage  
Dino se lambi rate wo khud se khud ki bate  
Wo kya majburiya thi wo kesi duriya thi  
Dilo ja hare hare firte the mare mare

Kahi dum ghut na jaye tamnna lut na jaye ha  
Tamnna lut na jaye  
Isiliye hamne sahara diya tha  
Kashti dil ko kinara diya tha  
Isiliye husn ko itna gurur hai  
Isiliye husn ko itna gurur hai  
Andhi jawani ka aanhko me surur hai  
Aanhko me surur hai

Dekho kaise ban than ke baithe janab hai  
Ek nahi inko to sat khun maf hai  
Ek nahi inko to sat khun maf hai  
Kaji or kano main inpe meharban hai  
Bhola bhala chehra hai dil beiman hai  
Bhola bhala chehra hai dil beiman hai.
