

Mumbai Salsa (Title Track) Lyrics

English

Come on you people come
And party through the night
Come on you people come
And hold each other tight
Come on you people break
It down and do the salsa
Come on you people just
Come on and get it right

Come on you people come
And party through the night
Come on you people come
And hold each other tight
Come on you people break
It down and do the salsa
Come on you people
Just come on and get it right

Mujhse kadam toh mila lo ki meri
Jaan main suna dunga dil ka fasaana
Mujhse badan toh mila lo meri
Jaan yahin jine ka dega bahaana
