

Muqabla (Title) Lyrics

English

Muh kaala, muh kaala na kar jaana
Muh kaala, muh kaala na kar jaana
Muqabla ki ye khwahish mein yaara
Muqabla ki ye khwahish mein yaara

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Hahaha...

Hey yo shaxe oriah
Show 'em who run this sht

Mainu kisi cheez di ni lod
Mainu mere haal chhod do
If you truly understood
What bohemia was saying

Khayali raja, no muqabla
Bandook mere haathon mein
You have no
One move and there goes your aatma
Ro rahi hai i'm sorry mama
There was gun shots with marijuana
Game is real but there ain't no drama

Meri maidaan mein tu kho na jaana

No bollywood stunt karne waala
Real street hungama
We got paisa i'll make real music
You may give me for the paisa
I don't feel your music
How can you represent
Yourself as competition to me
Haji springer on a track
Lyricsbogie.com
Still no muqabla

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Yeah! Aye yo j.hind
Let me talk to these
Motherfckers for a second

Mainu ajje vi kise cheez di ni lod
10 saal ton main 12 bore
10 saal ton j.hind mere naal
Naale 10 saal apaan rehna hor
10 saal toh kise di ni parwah
10 saal toh asi jhuke ni kise de agge
10 saal toh galiyan 'ch wah wah

Par hun mere vairiyan di balle balle
Oh samjhdar ho gaye naiyo gharde

Pehlan lad'de si mere naal kalle kalle
Hun groups bana ke munde lad'de

Par main saareyan nu kehnda
Hun chhad dao tricker
Desi hip hop kakh bina kithe sada zikar
Raja jiven dil j.hind jiven jigar
Naale duje paase mere nal haji springer

Checks got the finger o the trigger
Jadon goliyan chalanda mache galiyan 'ch gadar
Paah paah aapan vairiyan nu karde bas
Ve meri feeling eni zabardast
Mainu 10 saal ho gaye paaye topi
Industry mainu kare copy
10 saal pehlan kalla si
Hun rapper mainu mile jo vi
Par daso mainu kehda mai da laal
Ve jehda bane desi hip hop da thekedar
10 saal pehlan kehnda si tu mera rap ni chalna
Hun jiven tu desi rap da zimmedar
Methon sikh le pen aur kitaab le
Meri kala da hisaab la
Desi hip-hop meri ijaat
Tenu kar danga main barbaad
Ve mere naal ve tu kadi vi
Tu kari na muqabala

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai

Raja aaja duniya mein meri

Muh kaala, muh kaala na kar jaana
Muh kaala, muh kaala na kar jaana

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri
Muqabla i'm talkin but they know
Yeh manzil meri hai
Raja aaja duniya mein meri

Muqabla mujhe dikhade homie
I don't see it anywhere
Mujhe kya pata kahan luk chhup kar meri.
