Use to make penny now making some crores  
My patience is makin' me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Use to make penny now making some crores  
My patience is making me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Bhai tera g hit karu g spot  
Yeh dikhrele sakhat par agle hai weak bahut  
Khel rele big boss kya ho gaila big boss  
Hawa toh aane do life meri 3/4  
Rolly ni shaukh mera g shock  
Slow chalu phir bhi hai speed bahut  
Sidha stunner stone cold steve austin

Moon walkin' rasta hai saaf  
Aedhi chale toh phir karta nahi maaf  
In logo ko dekh ke main hasta hoon

Sochta hoon kaise ladenge yeh mere khilaaf

Main toh mere khilaaf likhun ta padu na bhari  
Shuraati dino me fatte jugadi  
Samjha kya jali asal mawali  
Tera bhai bhari

Use to make penny now making some crores  
My patience is making me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Use to make penny now making some crores  
My patience is making me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Kam karo aise jaise saste mein bhari  
Pyar nahi mujhe woh toh rasta dikhari  
Main toh akela lagunga toh bhi 10 pe bhi bhari  
Tu toh thakela laga mujhe toh bahut hi bechari

Pahuch bhi ni paari mere tak f\*\*k duniyadari  
Bahut hai sawari kaam hai beemari  
Kya main hmari baat chit karun  
Heart beat par hoon hard trip par hoon  
Tujhe flip karun is se zyada kya

Isse zyada bolu poori picture hai baaki  
Future hai bhari kyun meri baari  
Bahut badi badi  
Bahut padhe likhe nai karega kamti jama  
Haha

Area ke ladke nahi sunte koyi dhamki  
Khaega tu chamti  
Dekha nahi hoga mere jasia koyi sanki  
Style bade funky  
Khaali karun tanki bheje se sochte  
Par likhte hai mann ki  
Haan likh dala bhai

F\*\*k everyone it's my time

Chillam bukhari tu tere tak rakh  
Gali se leke haan poora sadak  
Mere andar mein main beta poora kadak  
De dete shot nahi padta farak

Tere dhanda garad apan banda saras  
Gaane mein nasha hai  
Jaise koyi fooka charas  
Main toh bhukha baras se  
Hype aur fame mujhe  
Kabhi nahi badhega bas be

Isliye toh akele lad rele yahan pe  
Baaki kya lad rele bache

Haan kamine jitne hum utne hi acche  
Sehat pe kam chalu hai abs aa re acche  
Sapne se sach kar ra gaane hai sache  
Kharch kar ra paise main na gin rela bache  
Tera toh dharti pe paisa nahi  
Apna toh upar approach hai

Use to make penny now making some crores  
My patience is making me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Use to make penny now making some crores  
My patience is making me open the door  
I've big goals, she wants me roz  
She wants me close, you know my pose

Aye!
