Girl you look so good,  
Teriyan nighawan mainu maar sutteya ae,  
When you walk my way,  
Teriyan adwan mera dil lutteya ae,

When you shake them heel,  
Tere piche lag ke main chadte saare,  
Make me go crazy,

You talk and i watchin' i like how you talk,  
Mesmerize by you i don't want you to stop,  
Baby just tell 'em you writing for me,  
Give you the word and i won't charge you a fee,

Take you to paris i'll take you to london,  
Five star hotel food that you couldn't imagine,  
Playback your dreams baby i could just fund it,  
Long as you with you'll live in abundance,

Tera ki kasoor,  
Mainu ni pasand tu,  
Kardi zaroor,

Ambran ton aayi tu,  
Lagdi aen hoor,
