

Na Jane Kaun Ye Lyrics

English

Na jane kaun na jane kaun
Ye awaj deta hai
Mere dil ko dhadkane ke naye
Andaz deta hai na jane kaun

Koi aahat kahi se aa rahi hai
Ye wo paas lati ja rahi hai
Ye kisne chhu liya hai mere man ko
Meri har sans mahaki ja rahi hai
Na jane kaun

Naya rang parda man wahi hai
Nayi uthi ghata sawan wahi hai
Ladkan ja chuka kabhi ka mera
Magar dil ka abhi bachpan wahi hai
Na jane kaun

Mere kyun paon rukhte ja rahe hai
Mere kyun nain jhukte ja rahe hai
Mujhe kya baat kahni hai kisi se
Mere lab kyu larazte ja rahe hai
Na jane kaun ye awaj deta hai
Mere dil ko dhadkane ke naye
Andaz deta hai na jane kaun.
