Meraa naam hai kailendar
Main to chala kichan ke andar
Ball maango bhaiyaa haath zaraa jod ke
Ball maango bhaiyaa haath zaraa jod ke

O khilaunaa mere bachchon kaa
Bhalaa kyon chhiin leti ho
O khilaunaa mere bachchon kaa
Bhalaa kyon chhiin leti ho
Duaaen denge ye tumako
Agar tum ball deti ho

Duaaen le nahin sakati
Main in badamaash bachchon se
Ki mujhako duur hi rakho
Samajh ke aise kachchon se
Roz ye shor karen
Kabhi out door karen
Kabhi indoor karen
Ro ke mujhe bore karen
Jhuuthe hain tere bachche

Bachche tere bachche

Kyon kosatii ho inako bhalaa

Hain dil ke bade sachhe

Bachche mere bachche

Bachche tere bachche

Bachche mere bachche

Bachche tere bachche

Bachche mere bachche

Tere bachche mere bachche

Tere bachche mere bachche

Tere mere, tere mere

tere mere, tere mere

Tere mere, tere mere

To bolo om shaanti

Om shaanti shaanti shaanti om

Om shaanti om shaanti shaanti om

Om shaanti om shaanti shaanti om.
