

Naagin Lyrics

English

Lak mera, lak mera
Lak mera, lak mera

Re lak mera hile hai jaise naagin
Aakho pe chashma hai baby ray-ban
Sabke hath ni aane wali
Main hoon chalti firti weapon

Re lak mera hile hai jaise naagin
Aakho pe chashma hai baby ray-ban
Sabke hath ni aane wali
Main hoon chalti firti weapon

Sayar likhte geet mere pe
Dete rating mujhko dus
Nach nach mein kardu paagal
Chore kahte baby ab to bas
Hile hai hile hai hile hai naagin
Hile hai hile hai hile hai naagin
Hile hai hile hai hile hai naagin
Hile hai hile hai hile hai naagin

Crop dress meri lage se kamal
Kali kali aankhe kare hypnotize
Toye lagade char chand ispe
Jab mein chalu hoke shy

Crop dress meri lage se kamal
Kali kali aankhe kare hypnotize
Toye lagade char chand ispe
Jab mein chalu hoke shy
Kadu blur sare color
Lahrau mein ho ke taral
Kardu blur sare color
Neet lage jab i mean
Hile hai hile hai hile hai naagin

Hile hai hile hai hile hai naagin
Hile hai hile hai hile hai naagin
Hile hai hile hai hile hai naagin

Cham cham karta face mera
Touch hoke na fuse uda
Tere jisse kai 36 firte
Aakho se thoda reth hata

Cham cham karta face mera
Touch hoke na fuse uda
Tere jisse kai 36 firte
Aakho se zara reth hata

Main hoon queen total cream
Dekh na chore mere dream
Main hoon queen total cream
Neet lage jab i mean
