## English

O nach le na na nach le  
O chal taal taal nach le  
O soniye heere motiye  
O chal haath thaam chak le  
O nach le nach le  
O chal taal taal nach le  
O soniye heere motiye  
O chal haath thaam chak le  
Darana kya oy oy  
Ham tere oy oy  
Hain rabba sang tere  
O nach le ve saiyaan  
Saiyaan ve saiyaan

Dharti ka zarra main  
Ambar ka hai taara wo  
Phir bhi yeh mel ho gaya  
Khamosh thi wo haseen  
Humne bhi kaha nahi  
Aankho mein hi khel  
Ho gaya ve saiyaan  
Dharti ka zarra main  
Ambar ka hai taara wo  
Phir bhi yeh mel ho gaya  
Khamosh thi wo haseen  
Humne bhi kaha nahi  
Aankho mein hi khel ho gaya

Ye hai qamaal-e-ulfat  
Naazaan hai dil pe kudrat  
Zanzeer na deewarein  
Na roke koi taaqat  
Milan ki dhun jo lage  
To phir duniya na dikhe  
Jale hon shole raahon mein

Lage hon kaante paanon mein  
Sochana kya phir to chale waha  
Jahaan lai chala hamadam  
Na na nach le  
O chal taal taal nach le  
O soniye heere motiye

Teri nigaahon ka  
Saya mila mujhe  
To mili hain ye  
Saari khushiyaan  
Teri duaon se hi  
Mere armano ki bhi  
Ab to sajegi duniya  
Hai farz ye hamara  
Aur haan sada rahega  
Utthi jo tujhape talawaar  
Sar apana hi katega  
Chhad ab saare bawaal  
Achchha sa mahoorat nikaal  
Bana ke tujhako dulaha  
Challenge tere sasuraal  
Baaje dham-dham dhol  
Nacha deghe sabko cham cham  
O nach le nach le  
O chal taal taal nach le  
O soniye heere motiye  
O chal haath thaam chak le  
Darana kya oy oy  
Ham tere oy oy  
Hain rabba sang tere  
O nach le ve saiyaan  
Saiyaan ve saiyaan

O nach le na na nach le  
O chal taal taal nach le.
