Naina miley toh dil  
Mein armaan khile  
Pighla re pighla re  
Loha main pighla re  
Mann mein mera mann  
Mein shola sa nikhla re  
Bijli ki taro mein tu  
Ulji hai sapne si  
Iss paapi dil ko kyun  
Tu laagey kisi apne si

R r r obot

I robo dhooba main  
Pyaar mein dhooba re  
I robo dhooba main  
Pyaar mein dhooba re

I am a super girl teri

Pyaari rapper girl  
I am a super girl teri  
Pyaari rapper girl

Dil ki imaat mein  
Tu hi bus tu hi hai

Neelay se naino ki  
Chaavi hai meri hai  
Resham ki zulfon ki  
Chaiyan abh meri hai  
Chalte iss seenay se  
Tujhko lagaunga  
Tu jo na aayagi toh  
Sona main paunga  
Kathputli haathon  
Ki tera banjaunga

Watch me robo shake it  
I know you want to break it  
Tu mujhko chu jaaye.  
Toh shock na lag jaaye  
Pyaar ki gadhi mein  
Motor na jadh jaaye  
Ratiyan mein battery  
Hi gul na ho jaaye

Memory mein tu hi tu  
Karti mujhko bechain  
Shutdown bhi bhula  
Main tadpa hoon saari re

R r r obot

Har pal tujhe padhta hu  
Main tera mann tere dil  
Sensor mere takke hain naa sakoon hai na hi chil  
Sooke honthon ka yeh bosa  
Bholo na kya tum logi kya  
Raho nahi hai rago mein  
Pal mein tu keh dogi kya

Duniya ki zubaan mein  
Ho yantru mein koyi  
Pyaar ki zubaan mein haan  
Indar hoon mein wahi  
Aaymat se aagey bhi  
Mein jee lunga rathi pe  
Kyamat jaisa pyaar  
Laaya hoon tere liye

Hey robo jadoo nahi

You want it come  
And get it boy  
Are you just a robo toy  
I don't wanna break you  
Even though it takes you  
Kind of like a breakthrough  
You don't even need a clue  
You be my man's backup  
I think you need a checkup  
I can melt your heart down  
May be if you got one  
We've been doing  
That for ages  
Since it's time of sages  
Jao na jao toh  
Tum raste mein na aao  
Inn pyaar mein pagal robo  
Main kehti hoon just go go

Naina miley o  
Tumse naina miley  
Naina miley toh dil  
Mein armaan khile  
Naina miley o tumse  
Naina miley  
Naina miley toh dil  
Mein armaan khile
