

Naiyo Jaan De Lyrics

English

Naiyo jaan de sanu naiyo jaan de
Naiyo jaan de sanu naiyo jaan de
Naiyo jaan de sanu naiyo jaan de
Naiyo jaan de..turn up

Ahh! Sare yaar mere naal
Velliyan di chaal
Mainu ni chaide bodyguard
Asi ni hege koyi star
Asi bas launde jugaad
Kadi naa hoyi meri haar
Chavi ghante rehnde asi teyaar

Baala naa billo tu bol
Mainu karta bore
Main hega nahio aashiq
Tu karna di na main nri
Just can't i speak that sucks it
Fateh na kisse ko darre
Ho ja tu mere ton paare
Nike de boot mere nawe
Compliment o kudi davve

I step in the place
I was rapp'in babe
While you checking my face with your agony
My homies don't play
I am just keeping this straight you'all
I get the flow thats my business
Making it famous i'm getting so anxious
I'm so close to make it, i know it
I ain't got no feelings breaking ceilings at night
And i try and stay below it
I don't need your trust
Homie we doin' it major

I'm fresh of a flight
My circle is tight
I'm on my worst behavoir
Boy you don't know me like that
Take a trip to uk
Tell them i'll be right back
Naiyo jaan de

Sare yaar mere naal
Naiyo jaan de
Ainvye panga le laina
Naiyo jaan de
24 ghante gharon bahr
Naiyo jaan de
Mere nal sohni naar
Naiyo jaan de

Naiyo jaan de saanu naiyo jaan de..
Naiyo jaan de saanu naiyo jaan de..
Naiyo jaan de saanu naiyo jaan de..
Naiyo jaan de yaara ohnu jaan de

Ahh! Aaj raat ethe gand paona
Lokki puchde oh munda kaun aa
Vekh meri sardaari
Top lokan naal yari
Top model di nyari teri lagdi bechari

Dont talk to me like you know me
Don't talk about how we homies
My clique full of my brothers
You get ex like my old lovers

So dhyaan naal yara sannu jaan daa nai
Sab kush aanda par harna nai
Singhaan di kitti kadar nai
Par main industry badal di

Jazzy te gippy te zeus
Work with 'em all
Who would have knew used work with 'em all

Taking no breaks at all
I'm in here state making the show till dj don't stop
We got women on call
We ain't gettin' no pros.
We just killin' 'em off

What i did they can't do
They just watchin' my moves
I ain't takin' to you
Now that you're talking out of the loop
We'll be stressing
Toronto in the west n' i'm stay rappin'
Get the step in 'cause
You don't know me like that
Take a trip to punjab
You know i'll be right back
Naiyo jaan de

Sare yaar mere naal
Naiyo jaan de
Ainvye panga le laina
Naiyo jaan de
24 ghante gharon bahr
