

Nakhre Lyrics

English

I know what you thinking
And i don't blame ya
Everybody trying to get your attention
Yeah yeah you get * but girl i wonder
Wanna taste once i get under the covers
You've got a body that i'm dying to discover
There's an aura that's pulling me in
Ainve nakhre na kar mere naal ni
Drop the furl you ain't gotta pretend o..
No no o..
Cause you know what's on my mind

Mere dil di gali de vich aaja
Ainve mundeya de piche tu na ja
Ainve nakhre na kar mere naal ve soniye

Mere dil di gali de vich aaja
Ainve mundeya de piche tu na ja
Ainve nakhre na kar mere naal ve goriye
O kudiye kudiye nakhre na kar mere naal

Oh soniye, o kudiye kudiye
Nakhre na kar mere naal..

Who you came here with forget about him
What you searching for is on the way
But don't say a word, gone missing
Don't say a word go missing
Ther* lips can't explain

You got a body that i'm dying to discover
There's an aura that's pulling me in
Ainve nakhre na kar mere naal ni
Drop the furl you ain't gotta pretend o..

Don't play around with me baby

I don't buy..
But girl what really, you're on my mind

Mere dil di gali de vich aaja
Ainve mundeya de piche tu na ja
Ainve nakhre na kar mere naal ve soniye

Mere dil di gali de vich aaja
Ainve mundeya de piche tu na ja
Ainve nakhre na kar mere naal ve goriye..ho..
O kudiye kudiye nakhre na kar mere naal
Oh soniye..
O kudiye kudiye nakhre na kar mere naal..o.
O kudiye kudiye nakhre na kar mere naal..
O yeah..o kudiye..wo..
Na na..

Quit play around with me baby
Ah with me baby..na na..o..
Quit play around now..
