Namasteji kahiye
Kya haal chaal hain
Hukm ho to puchhana
Ek sawal hain
Namasteji kahiye
Kya haal chaal hain
Hukm ho to puchhana
Ek sawal hain
Haji suakh se puchhiye
Kya sawal hai apka
Har sawal ka aapke
Dunga main dunga jawab
Namasteji kahiye
Kya haal chaal hain
Hukm ho to puchhana
Ek sawal hain

Hello hello hello hello hello
Hello hello hello hello hello
Hello hello hello hello hello
Hello hello hello hello hello

Saare jaha mein chehra koi
Kyu lagta hai sab se juda
Koi begana ek pal mein hi
Kaise lage apno jaisa
Saare jaha mein chehra koi
Kyu lagta hai sab se juda
Koi begana ek pal mein hi
Kaise lage apno jaisa
Chehre pe aise nazar jab teeke
Samjho jawani ki rut aa gayi

Ye hadsa ho jawani mein to
Samjho mohabbat suru ho gayi
Namasteji kahiye
Kya haal chaal hain
Hukm ho to puchhana
Ek sawal hain
Haji suakh se puchhiye
Kya sawal hai apka
Har sawal ka aapke
Dungi main dungi jawab

Umar ye jawa saal solva
Duniya mein badnam hain kyu
Pyar dua hai rab ki to
Phir pyar ka ye anjaam hain kyu
Umar ye jawa saal solva
Duniya mein badnam hain kyu
Pyar dua hain rab ki to
Phir pyar ka ye anjaam hain kyu
Anjaam kya pyar ka hai bura
Mar ke amar pyar ka naam ho
Duniya mein dushman hain jo pyar ke
Karte mohabbat ko badnam ho
Namasteji kahiye kya haal chaal hain
Hukm ho to puchhana ek sawal hain
Haji suakh se puchhiye
Kya sawal hai apka
Har sawal ka aapke
Dunga main dunga jawab

Hello hello hello hello
Hello hello hello hello
Hello hello hello hello
Hello hello hello hello

Saat samandar saat aasman
Aakhir number saat hain kya
Saat rang hain saat hi sur hain
Saat mein aisi baat hain kya
Saat samandar saat aasman

Aakhir number saat hain kya
Saat rang hain saat hi soor hain
Saat mein aisi baat hain kya
Socho socho parmatma
Ko yaad karo
Aag aur paani zamee aasman
Rang hawao ka hain paanchwa
In mein chhata rang hain aatma
Aur saatwa rang parmatma
Namasteji namasteji
Namasteji namasteji
Namasteji namasteji
Namasteji namasteji
Namasteji namasteji
Namasteji namasteji.
