Aaj labon se, mujhe choo le mujhe choo le
Kal ko chuna mana hai

Aaj haan tum ki hadd tu paar kar depaar kar de
Aur behad mujhme tu ishq bhar de
Le baahon mein mujhko tang kar detang kar de
Is kaali si raat mein rang bhar de oh baby

Teri in baahon mein tu mujhko bhar de
Kas ke pakad le aur fana tu kar de
Phir mujhe thoda-thoda-thoda dard de
Aur subah hone tak riha tu kar de

Teri in baahon mein tu mujhko bhar de
Kas ke pakad le aur fana tu kar de
Phir mujhe thoda-thoda-thoda dard de
Aur subah hone tak riha tu kar de

Jaadu hai ya nasha hai
Ya teri aankho ki koi khata hai
Aaj labon se, mujhe choo le
Kal ko chuna mana hai

Teri in baahon mein tu mujhko bhar de
Kas ke pakad le aur fana tu kar de
Phir mujhe thoda-thoda-thoda dard de
Aur subah hone tak riha tu kar de

Teri in baahon mein tu mujhko bhar de
Kas ke pakad le aur fana tu kar de
Phir mujhe thoda-thoda-thoda dard de
Aur subah hone tak riha tu kar de.
