## English

Kaun hai sahi kaun hai galat kon hai kitna asal  
Naya zamana leke aaya apni alag nasal  
Kaun hai sahi kaun hai galat kon hai kitna asal  
Naya zamana leke aaya apni alag nasal

Tikhe bol kehke lo apni kaafe hustle  
Naya zamana leke aaya apni alag nasal  
Tikhe bol kehke lo apni kaafe hustle  
Naya zamana leke aaya apni alag nasal

Girke uthke yeh ladke chunte raastein ab hai khudse  
Ha ladke sabse mujhko jaanna taakat ziddi pan mein  
Ya le chalu main tujhko mere yeh dimag mein jaha pe  
Saare shabdo ki bahaad hai jisse kahaniyaan jo likhte  
Matlab hum hai rap ki dusri pidi  
Kismat deti hai sahara banke apni sidhi  
Logo ko samjhena jo baatein bolde itne gehri  
Hai tabdeel apne bhes mein  
Jo kare khudse deri, mujhse kehri  
Befikr hum zakhmi dil hum khole taale  
Yeh darwaaze milti chaabe leke bhaage  
Ek he roop ke 100 ishaare  
Matlab kya hai khudse ladke  
Jo karte hum baatein yahape  
Pahonche na woh logo tak  
Jo sunte nai hai rap kahape

Yeh sabka kaam kabse  
Laga tu kaan jhatse  
Lage terko hum hai naye  
Jo kar rhe hai rap kal se  
Naya sab kuch tu puraana  
Khaali jabe se kya churaana  
Mitti mei daba khazaana  
Apni kahani naya zamaana

Turda sidha manzil val mein dekha  
Na hun aase passe  
Kyuki ohhe munde ne jo pahela mere te c hasse  
Saamna hun haiga mera apne aap toh  
Mein khush kaafi rehenda  
Ehde vich milda laab bohot  
Khwaab bohot mere hone hauli hauli pure,  
Bas tu gallan karan jogha asliyatt ch tu ta dhuur eh  
Gallan lagdi meri kaudi kyuki boliyan mein tere baare  
Sheera de aah putt assi hosla na kade haare  
Laare launda firda c tere aage piche  
Qismat ae vadiyan time te meinu aage khiche  
Assi karde jo face na tu kar sakda chase  
Tere khaun wale alag te vakhaun wale alag daand  
Hona nai kuch tere toh tu haiga sirf gallan da maara  
Dita sab da saath par na kise da mein kita maada  
Supne mere alag te dass tera ehde ch ki janda  
Likha mein halat apne na koi itne gand yaara

Kaun hai sahi kaun hai galat kon hai kitna asal  
Naya zamana leke aaya apni alag nasal

Zameen ko chhu ke chalna seekha  
Muh pe girke uthna seekha  
Buzdilo se faasle kisse jhukna nahi seekha  
Jeet dekhi naa hai khudki lekin jeet kae dikhana  
Uchaa takht dikhta lekin usko jhat sae hai paana  
Zindagi kya hai isme kitne bante kiske sagae  
Joh dete saath kabhi wahi jaake peeche haste  
Lekin ye aam baat zamane se hai chalti aati  
Niyat apni saaf naya zamana leke aagae chalte  
Tu chal de  
Tera koi kaam kaaj nai hai

Jo ye saath aaj sab nakli  
Apna faasla sahi hai  
Tu hai naag saap joh daske seedha bhaagta sahi hai  
Badal chaal ab tu apni tu bas jaanta wahi hai  
Lyricsbogie.com  
Flow tight ye bars seedha beat ko de kill  
Kabhi flight mei bhi lekin apna local feel  
Ye sab bhed chaal chalan mei khudki jeet  
Naya zamana leke aaye banke sabse dheet

Khusdse khudke hai tareeke na ki chalte nakshon pe  
Baithe banake lakshay aur tum 10 kadam pe thak chuke  
Yeh hai farak toh lagta waqt aur lagta waqt lagne do  
Zamana jeeta aaj mein na yaad rakhke kal tujhe  
Toh chalteja tu bhoolke  
Na kaid usool mein  
Hai dhul se aate sab phir wapas jaate hain dhul mein  
Inaam hai yeh zindagi ka deti har kisiko jo  
Na kuch hai milta bematlab ka dusron pe jhulke  
Hai laye hum naya zamana kehete ab sabhi ko  
Musakuraade muskuraade baatein seene pe lagi jo  
Ittefaq se haqiqat bante jaarahe hai sapne tum  
Baitho gadake nazrein yeh pehla padav abhi toh  
Chadhni sidhiyaan hai  
Jo kehte they galat voh ab kahan hai  
Chal namaste karke kaam sabko ko ab bataye  
Rakhta haske jab lagate number yaad kar kabhi toh  
Roshni jo teer na andhere mein chalaye

Kaun hai sahi kaun hai galat kon hai kitna asal  
Naya zamana leke aaya apni alag nasal  
Kaun hai sahi kaun hai galat kon hai kitna asal  
Naya zamana leke aaya apni alag nasal

Tikhe bol kehke lo apni kaafe hustle  
Naya zamana leke aaya apni alag nasal  
Tikhe bol kehke lo apni kaafe hustle  
Naya zamana leke aaya apni alag nasal.
