Kisi ko kya khabar
Hum teri mehfil me kyu
Aye hai

Tumahre pyar ka nasha
Humare dil pe cha
Gaya
Lage behkne ab
Kadam o balma
O sajna o balma
O sajna
Tumahre pyar ka nasha
Humare dil pe cha
Gaya
Lage behkne ab
Kadam o balma
O sajna o balma
O sajna

Dur se aji dur se
Dekho na mujh
Haye dur se
Dur se aji dur se
Dekho na mujh
Haye dur se
Kareb aa jao
Jiya na tadpao
Kareb aa jao
Jiya na tadpao
Sun lo sun lo
Na muh fairo

Tumahre pyar ka nasha
Humare dil pe cha
Gaya
Lage behkne ab
Kadam o balma
O sajna o balma
O sajna

Man ja piya man ja
Lage na jiya haye
Man ja
Man ja piya man ja
Lage na jiya haye
Man ja
Na nind ati hai
Na jan jati hai
Na nind ati hai
Na jan jati hai
Chodo chodo ji hat chodo
Tumahre pyar ka nasha
Humare dil pe cha
Gaya
Lage behkne ab
Kadam o balma
O sajna o balma
O sajna.
