Chle aao chle aao
Chle aao chle aao
Nigahe kyu bhatakti hai

Tumhe har mod par ek yaad
Aayi na dikhayegi
Khayalo me hamari hi koi
Tasvir payegi
Bhulana hai bahut mushkil
Chle aao chle aao
Chle aao chle aao
Nigahe kyu bhatakti hai

Ye kaisa dard hai
Aankho me kaisi sogwari hai
Junu ho jayega ek din
Yahi jo bekarari hai
Ha ye chahat hai badi katil
Chle aao chle aao
Chle aao chle aao
Nigahe kyu bhatakti hai
Kadam kyu dagmgate hai
Humi tak hai har ek manjil
Chle aao chle aao
Chle aao chle aao
Nigahe kyu bhatakti hai.
