

# Night Song Lyrics

---

## English

Waiting on a moon beam  
Travelling through i scream, i fall into you  
I know, not what you know  
I hear the winds blow & close my eyes

Bol kaisi ye nadani,  
Tu bol kaise ye bechani  
Bol kaisi ye nadani  
Tu bol kaise ye bechani  
Bol...

Distance, hesitant love  
Penitent brow & folded hands  
In prayer, in desire  
I look higher and pray for the rain  
Bol kaisi ye nadani,  
Tu bol kaise ye bechani  
Bol kaisi ye nadani  
Tu bol kaise ye bechani

Bol...

Through all the lights & the breeze so cool  
I see it slowly come undone  
I never knew that you're the one  
Is it a dream or just the way we search  
Through every corner, every turn  
Its your face that haunts that makes me burn

Sa re  
Tori jai jai kartar  
Mori bhar de aaj jholiya  
Tu raheem data tu pak tirati kar  
Tori jai jai kartar

Taansen ko tu sab,

Gyan dhyaan dijo hai  
Raag rang sagar hai  
Karde naiya paar  
Tori jai jai kartar  
Tori jai jai..

Waiting on a moon beam  
Travelling through i scream, i fall into you  
I know, not what you know  
I hear the winds blow & close my eyes

Bol kaisi ye nadani,  
Tu bol kaise ye bechani  
Bol kaisi ye nadani  
Tu bol kaise ye bechani  
Bol...

Bol kaisi ye nadani,  
Tu bol kaise ye bechani  
Bol kaisi ye nadani  
Tu bol kaise ye bechani  
Bol...
