

Nimoli Lyrics

English

Ho nimri nimoli
Ho nimri nimoli re
Khave toh mama, khave toh mama
Khara ro guthko aave re
Aji nimri nimoli
Haasa nimri nimoli re
Khave toh mama, khave toh mama
Khara ro re guthko aave re

Maya re re lobi ar r r ra
Shoukeen jivdo ar r r ra
Maya re re lobi avloo thori aave re

Ho do din ri, aaji do din ri
Zindagani re mama
Zindagani re mama umar ri badnami re
Maya re re lobi ar r r ra
Shoukeen jivdo ar r r ra
Maya re re lobi avloo thori aave re

Hold up, hold up
Just hear me out yo
Now gimme just a one
Minute let me figure it out
Nimoli or lemonade,
Whats that all about
Got me wondering if i
Could be loosing my mind
Coz everytime i think about it
I be hitting rewind
Lets take it one step at a
Time with my rhyme
I am wearing a suit but
Your talking about a fruit
I am trying to communicate

But you dont give a hoot
Kinda reminds me why everything is moot
Stop getting philosophical
Don't give me that rhetorical
Just give it to me straight coz
I don't need that psychological

Nimoli is bitter with a little bit of sweet
But you'll have to tone
It down if you wanna meet

Arey mariyo di mat jaane re mama
Mat jaane re mama, bhoot ho lag javul
O mariyo di mat jaane re mama
Bhoot ho lag javul
Maya re re lobi ar r r ra
Shoukeen jivdo ar r r ra
Maya re re lobi avloo thori aave re

He thare karaniyo mama
Gharra bairi kinare
Maya re re lobi ar r r ra
Shoukeen jivdo ar r r ra
Maya re re lobi avloo thori aave re

Ari nimri nimoli, aji nimri nimoli re
Khavetre mama, khavetre mama
Kharro re guthko aave re

Never understand why you choose nimoli
But i kinda like that it is only me
What is meant to be will always be
Even after all if its only nimoli
Aji nimri nimoli re
Khave toh re mama, khave toh re mama
Khave gutko aave re.
