Hamesha dil-o ko jo dil-o sey jodey,
Wahi ek mohabbat ka rishta baada hai,

Ae khuda...
Jaun kahan..
Gumshuda mera jahan...

Mera maula saath dey,
Mera haath tham ley,
Tera umda mushkilon mein hai gira...

Noor-e-azal noore khuda,
Har pal rahey roshan sada,
Noor-e-azal noore khuda,
Har pal rahey roshan sada..

Noor-e-azal noore khuda,
Har pal rahey roshan sada,
Noor-e-azal noore khuda,
Har pal rahey roshan sada..

Ya ali..ya ali.. Ya ali

Ae khuda..roshan jahan,
Pass hai teri aada,
Yeh jo teri simpisi,
Chaley ma zaroor ki,
Hui puri roshni har dua..
