Ham diwvaanon ko masti
Mein mastaanon ko
Apani hi dhun mein chale hain
Duniya se kya lena hai
O bhanvare e e e dekho
Ham deewano ko masti
Mein mastaanon ko
Apani hi dhun mein chale hain
Duniya se kya lena hai
O bhanvare

Deewaanagi ka saath hai
Hairanagi ki baat hai
Ravaanagi kahaan ki hai kaho na
Mudane lage hain raaste
Judane lage hain raaste
Dekho hamaare vaaste chalo na
Bhanvare dekho ham deewano ko
Masti mein mastaanon ko

Kaisi suhaani shaam hai
Bas pal do pal aaram hai
Phir kitane saare kaam hain
Apana rakhavaala raam hai
Bhanvare dekho ham deewano ko

Rukate-chalate hi aa jaayegi

Manzil hamase bach ke na jaayegi
Jaise dariyaaon ko kinaare
Milate hain chanda ko sitaare
Aankhon ko milate hain
Jaise nazaare kaliyon ko
Milate hain bhanvare ye pyaare
Kashti ko milate hain paani ke
Dhaare naazuk dilon ko sahaare
Baagon ko milati hain jaise
Bahaare paayenge ham bhi thikaane
Jab ham chalein hain saath-saath
Ab sochane ki kya hai baat
Chal-chal ke raste ham ko hi pukaarein

Bhanvare e e e dekho
Ham deewano ko deewano ko
Masti mein mastaanon ko mastaanon ko
Apani hi dhun mein
Chale hain chale hain
Duniya se kya lena hai lena hai
O bhanvare o bhanvare dekho
Ham deewano ko deewano ko
Masti mein mastaanon ko mastaanon ko

Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna

Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna
Gun gun gun gun gun guna.
