

O Chand Jahaan Lyrics

English

O chand jahan vo jaye
O chand jahan vo jaye
Tu bhi sath chale jana
Kaise hai, kahan hai vo
Har raat khabar lana
O chand jahan vo jaye
O chaand

Vo raah agar bhule, aa
Vo raah agar bhule
Tu raah dikha dena
Parades me rahi ko
Manzil ka pata dena
Hai pahla safar unka
Aur desh hai anjana
Har raat khabar lana
O chand jahan vo jaye
O chaand

Aa : kahna mere hotho par, aa
Kahna mere hotho par
Rukati hui aahe hai
Ya rasta unka hai
Ya rasta unka hai
Ya meri nigahe hai
Betaab muhabbat ka
Betaab hai afsana
O chand jahan vo jaye
O chaand

Hai chand qasam meri
Kuchh aur na tu kahna
Hai chand qasam meri
Kuchh aur na tu kahna

Kahna ke mera tum bin
Mushkil hai yahan rehna

Kahna ke mera tum bin
Mushkil hai yahan rehna

Ek dard ke mare ko
Acchhaa nahi tadpana
Har raat khabar lana

O chand jahan vo jaye
O chand jahan vo jaye
O chand.
