Ho chain mile aur jo ang lagu tore
Aaja kahi se aaja balam
O garam garam kaya thanda thanda pani
Lahar jaisi churi chale raza jani
Ho chain mile aur jo ang lagu tore
Aaja kahi se aaja balam
O garam garam hay thanda thanda pani re

Teri huyi teri meharbani mein
O aisa na ho agan lage pani mein
Teri huyi teri meharbani mein
O aisa na ho agan lage pani mein
O kahu tuse kahu mai pvariya
Ho dip jaise nadi mein sawariya
Arey aisi dolu pyasi re mein goriya
O garam garam hay thanda thanda pani
Lahar jaisi churi chale raza jani
Ho chain mile aur jo ang lagu tore
Aaja kahi se aaja balam
O garam garam kaya thanda thanda pani re

Khadi balam chhupakein suratiya
O daiya mori dharti mein khatiya
Khadi balam chhupake suratiya
O daiya mori dharti mein khatiya
Aa hi gaya hai to piya to chhu na re
Dekhi hai kya khade khade kinare
Are aa jara meri chunar utha dena re
O garam garam kaya thanda thanda pani re
Lahar jaisi churi chale raza jani
Ho chain mile aur jo ang lagu tore
Aaja kahi se aaja balamva

O garam garam kaya thanda thanda pani re
Lahar jaisi churi chale raza jani.
