

O...Saya Lyrics

English

o sayaa

o sayaa o

Dont Touch dont touch touch
Dont Touch dont touch touch
Dont Touch dont touch touch
don don don don dont dont

They can't touch me
We break our friends so fast
They can't even touch me
been that just see
Touch me i'll show you tricks my zig zag quickly

Pick up that pack for my journey
Dont run that start to follow me
I am in a luck, some days they suck
We live by the buck
We get for the family

One day i wanna be a star
So i get to hang in a bar
I got to vegas to play offs
Just to forget my scar

Ek do theen char panch che saath aath nau dus gyarah barah teera

She has made me thrifty
Like a ninja with speed i am nifty
