O shankar mere kab
Honge darshan tere

Jeevan path par shaam savere
Chaye hai ghanghor andhere
O shankar mere kab
Honge darshan tere

Main murakh tu antaryami
Main murakh tu antaryami
Main sevak tu mera swami
Kahe mujhse naata tooda
Mann choda
Mandir bhi choda
Kitni dur kitni
Dur lagaye tune laake
Laash pe daire
O shankar mere kab
Honge darshan tere

Tere dwar se jyot jagate
Tere dwar se jyot jagate
Yug bhi tere gun gaate
Na mangu me here moti
Me mangu bas thodi si jyoti
Khali haath na jaaunga me
Khali haath na jaaunga me
Data dwar se tere
O shankar mere kab

Honge darshan tere

Kab honge darshan tere
Kab honge darshan tere
Kab honge darshan tere.
