English

Haan rabb bina
Haan, haan
Thalle lauga
Haan, haan

Carbon fibre de case vich balliye
Ni rakhde aa gun'an nu sambhal ke
Banda maran ton pehlan
Poora karde shagun
Ek naariyal dharti naal maarke

Oh dass jammeya ae kehda
Jehda karuga nabheda

Sadde godde kude dharti naal lauga

Oh utton tak bharta aa papa aala ghada
Kon rab bina jehda thalle lauga
Oh utton tak bharta aa papa aala ghada
Kaun rab bina jehda thalle lauga

Oh hadd pair bhanan de kamm nahio kitte
Naahi goliyan pattan vich maarde
Sidha taara jod dinde parlok naal rakaane
Goli pittal di mathe ch utarde

Ho bunty aulakh aa mera
Dhaliwal naal gehda jehda
Mareya vi duniya te chaaugaa

Oh utton tak bharta aa papa aala ghada
Kon rab bina jehda thalle lauga
Oh utton tak bharta aa papa aala ghada
Kon rab bina jehda thalle lauga

Oh vailpune deyan moda nu

Ni velliyaan di loda nu ni
Kikaran de wang assi shangde

Hai ni sochni ch gand
Lagge dabba naal sandd
Khauf vairiyan de dilan vich paalde

Oh jehda daa lave singh
Ohde kada wal wing
M9 nu mathe naal jatt lauga

Oh utton tak bharta aa papa aala ghada
Kon rab bina jehda thalle lauga
Oh utton tak bharta aa papa aala ghada
Kaun rab bina jehda thalle lauga

Oh ek asli aa gall kinne vekheya ae kal
Kara raj jinna chirr ghadi ajj di
Oh tatte khoon naal mashup
Vich bharke dileri sadde rehndi aa
Nasha de vich bhajdi

Oh sadde kaide ne mijaaj
Uttan ankh de kharab
Jaan yaara layi hi yaar taan gavauga

Oh utton tak bharta aa papa aala ghada
Kaun rab bina jehda thalle lauga
Oh utton tak bharta aa papa aala ghada
Kon rab bina jehda thalle lauga.
