Bali umar ne oo oo  
Bali umar ne yovan dagar pe  
Rakha hai pehala kadam  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham  
Oye hoye oye hoye,  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham

Bachapan gaya ab aayi jawani  
Bachapan gaya ab aayi jawani  
Aage ki ram hi jane khani  
Hai ye pheli kiski saheli  
Hai ye pheli kiski saheli  
Kaisa mile balam  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham  
Oye hoye oye hoye,  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham

Thodi si main haye haye thodi si main  
Oye hoye thodi si main pichhle sal badli  
Abke baras meri chal badli,  
Kya iska karan dekhu jo darpan  
Kya iska karan dekhu jo darpan  
To aaye mujhko sharam

Chham chham chham  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham  
Oye hoye oye hoye,  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham

Kahta hai ye dil tu man meri  
Mushkil mein toba hai jaan meri  
Kahta hai ye dil tu man meri  
Mushkil mein toba hai jaan meri  
Ek na sunugi nadan dil ki  
Ek na sunugi nadan dil ki  
Khayi hai maine kasam  
Chham chham chham  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham

Bali umar ne oo oo  
Bali umar ne yovan dagar pe  
Rakha hai pehala kadam  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham  
Oye hoye oye hoye,  
Paon mein payal, payal mein ghungaru  
Ghungaru baje chham chham.
