

# Party All Night Lyrics

---

## English

Aaj botlan khullan do  
Daaru shaaru ghullan do  
Whisky da peg laga ke  
Saari duniya bhullan do  
Party all night party all night  
Party all night  
We do party all night

Sunlo saari duniya waalo  
Jitna bhi tum zor laga lo  
Kareng party saari night  
Gaane mein dum hai toh  
Band karwa lo party all night  
Party all night party all night  
We do party all night
