Takk takk tenu aunda ai pasina
You make me hot girl gasolina

Aaja nede let me put it down on ya
Body moving like like a transformer
All the ladies in the club is too warm up

Saare munde kehnde fire fire
Temperature gettin higher higher
Saare munde kehnde fire fire
Fire fire fire fire

Pa pasina sina, pa pasina sina pa
Pasina sina, pa pasina sina pa...

I want daga daga da
Jaz dhami want daga daga da
Everybody want daga daga da
Jaz d. want daga daga da

Saare tenu hath laun ton darte
Body smokin jivein munde shisha karte
....like it's your birthday

Thodi peetian baby ya ain't sober
Aaja nede let me let me take over
Fikar na kar i ain't leavin till it's over

July ka mahina baby on calender
Gaya mar jab tune kiya enter
Nachdi ve saare kende phir dancer

Lakk hile jivein tera club banger
Garmi badha di hai mahaul mein
Dil na rahaa mera control mein
Aag si lagi hai dekh dj console pe
Karti hai twerk twerk ye to ye to dol ke

Saare munde kende fire fire
Temperature gettin higher higher
Saare munde kehnde fire fire
Fire fire, fire fire
Pa pasina sina
Pa pasina sina...

I want daga daga da
Jaz dhami want daga daga da
Everybody want daga daga da
Jaz d. want daga daga da

This is tonight i'm on jet ski ride
Hold on cause i'm coming for you babes
I drop that, i whacked that
Then i boom down till
...to the boat

Girls they love me
See thats my doggy

Pull upside to the party
They'd be lookin like caveman in a roary
Step into the place is a swappo
Bad man swinging in dread looks
So ..giving like head looks
I'm just driving backwards

Pasina da da pasina
If you hear up
F*ed up middle finger
Pasina da da pasina
Good night i'm going home with sweeta

Pa pasina sina

Pa pasina sina...

I want daga daga da
Jaz dhami want daga daga da
Everybody want daga daga da
Jaz d. want daga daga da.
